

# Cover Policy for Defence Projects *(non-official translation)*

Cover is available for exports of war weapons<sup>1</sup> and other defence equipment<sup>2</sup> to the following countries:

- Customs territory of the EU, certain NATO member states<sup>3</sup>, NATO-equivalent countries<sup>4</sup> and other countries<sup>5</sup>
- Third countries<sup>6</sup>

Cover for other military goods is determined on the merits of the individual case based on a preliminary inquiry.

No cover is available for exports to embargoed countries in accordance with Section 74 (1) of the Foreign Trade and Payments Ordinance (AWV).

## Further information:

- For exports to third countries, a specific indication is obtained from the Federal Government based on a preliminary inquiry (prior to the formal application process). This inquiry is free of charge and can be submitted informally. Following a positive indication, the formal application procedure can be initiated.
- For exports of war weapons to „other countries“, a specific indication is obtained from the Federal Government based on a preliminary inquiry.
